REVENUE MEMORANDUM CIRCULAR NO. 132-2016

SUBJECT : **Limitation on the availability of Mobile Application on Non-Android Phones to Authenticate Internal Revenue Stamps on Cigarettes under Revenue Memorandum Circular (RMC) No. 51-2016.**

TO : **All Internal Revenue Officials, Employees and Others Concerned**

This Circular is hereby issued to inform all taxpayers and others concerned on the limitation of the availability of Mobile Application (particularly on non-android phones) affecting the authentication of internal revenue stamps on cigarettes as circularized under Revenue Memorandum Circular (RMC) No. 51-2016.

It shall be noted that the limitation is not on the Stamp Verifier Application but rather on non-android phones. The Android Version of the Stamp Verifier Application is still reliable and can easily validate the scanned data. Thus, the public users as well as concerned personnel may continuously use the same in the verification of the authenticity of the internal revenue stamps on cigarettes.

The new or updated version of the said application can now be downloaded in the Google Play Store.

All concerned are hereby enjoined to be guided accordingly and give this Circular as wide a publicity as possible.
