DATE : 20 January 2014

On the occasion of its 60th year, the Tariff Commission (TC) announced its new frontline service, the PHILIPPINE TARIFF FINDER (PTF) - a free online facility hosted on the TC's website which allows the user to do a quick search of Philippine tariff rates on specific products.

The PTF incorporates a search engine and allows access to all eight existing tariff schedules. The steps on how to use the facility are provided in the attached brochure, copy of which is hereto-attached as **Annex "A"**.
