In reply, please be informed that Section 30 of the National Internal Revenue Code of 1997, as amended, enumerates the non-stock and/or non-profit corporations/associations/ organizations that are exempt from income tax in respect to income received by them as such. Section 30 (J) of the National Internal Revenue Code of 1997, as amended, provides, viz:

> *"Sec. 30. Exempt from Tax on Corporations. - The following organizations shall not be taxed under this Title in respect to income received by them as such:*
>
> *xxx xxx xxx*
>
> *(J) Farmers' or other mutual typhoon or fire insurance company, mutual ditch or irrigation company, mutual or cooperative telephone company, or like organization of a purely local character, the income of which consists solely of assessments, dues, and fees collected from members for the sole purpose of meeting its expenses; xxx"*

"Non-stock" means "*no part of its income is distributable as dividends to its members, trustees, or officers*" and that any profit "*obtained as an incident to its operations shall, whenever necessary or proper, be used for the furtherance of the purpose or purposes for which the corporation was organized*".[2] "Non-profit" means that "*no net income or asset accrues to or benefits any member or specific person, with all the net income or asset devoted to the institution's purposes and all its activities conducted not for profit*".[3]

Revenue Memorandum Circular (RMC) No. 51-2014 has clarified that in order for an entity to qualify as a non-stock and/or non-profit corporation/association/organization exempt from income tax under Section 30 of the National Internal Revenue Code of 1997, as amended, its earnings or assets shall not inure to the benefit of any of its trustees, organizers, officers, members or any specific person. The following are considered "inurements" of such nature:

1. *The payment of compensation, salaries, or honorarium to its trustees or organizers; xxx.*

In the submitted documents[4] of **S.I.L. FARMER'S IRRIGATORS ASSOCIATION, INC.**, it was disclosed that the Board of Trustees are receiving per diems. The giving of per diems to the members of the Board of Trustees is considered a distribution of the equity (including the net income) of **S.I.L. FARMER'S IRRIGATORS ASSOCIATION, INC.** This is a form of private inurement which the law prohibits in the organization and operation of a non-stock, non-profit corporation. This act violates the requirement that no part of the net income or assets of the corporation shall inure to the benefit of any individual or specific person. Thus, **S.I.L. FARMER'S IRRIGATORS ASSOCIATION, INC.** cannot be qualified as a non-stock, non-profit corporation or association under Section 30 (J) of the National Internal Revenue Code of 1997, as amended.

Please bear in mind that, "*being a non-stock and/or non-profit corporation does not, by this reason alone, completely exempt an institution from tax.*"[5] Thus, "*statutes granting tax exemptions are construed* ***strictissimi juris*** *against the taxpayer and liberally in favor of the taxing authority. A claim of tax exemption must be clearly shown and based on language in law too plain to be mistaken. Otherwise stated, taxation is the rule, exemption is the exception. The burden of proof rests upon the party claiming the exemption to prove that it is in fact covered by the exemption so claimed.*"[6] ***(BIR Ruling No. 466-2014 dated November 19, 2014)***

MAY 22 2020

In view of the foregoing, the request of **S.I.L. FARMER'S IRRIGATORS ASSOCIATION, INC.** to be exempted from income tax on its income as a Section 30 (J) corporation is hereby denied as it failed to prove that it is a non-profit corporation. Therefore, **S.I.L. FARMER'S IRRIGATORS ASSOCIATION, INC.** shall be treated as an ordinary corporation subject to thirty percent (30%) income tax rate pursuant to Section 27 (A) and other internal revenue taxes imposed by the National Internal Revenue Code of 1997, as amended.

Please be guided accordingly.

Very truly yours,
