This refers to your letter dated November 27, 2010 requesting for a ruling on the additional fifty percent (50%) special deduction to be deducted from the donor's gross income under Republic Act (R.A.) No. 8525.

It is represented that on May 6, 2010 and October 1, 2010, a Memorandum of Agreement and a Deed of Donation, respectively, were entered into by Alpa Land, Inc. with Taxpayer's Identification No. 000-000-000-0000, and the Department of Education, Division of Cebu City, Don Carlos A. Gothong Memorial National High School, with Taxpayer's Identification No. 000-000-000-000, whereby the former donated labor and materials for the installation of ceiling and electrical fixtures for twenty one (21) classroom, rehabilitation and repainting of the school entrance facade and administrative lobby for a total amount of P_____.

In reply, please be informed that under Section 34 (H) (2) (a) of the Tax Code of 1997, as amended, donations to the Government, its agencies or political subdivisions are deductible in full from the gross income of the donor. However, donations not in accordance with the National Priority Plan are subject to limited deductibility or deductions to an amount not exceeding 10% in the case of an individual and 5% in the case of a corporation of the taxpayer's taxable net income as computed without the benefit of this deduction, *viz.*:

> *"(a) Donations to the Government. — Donations to the Government of the Philippines or to any of its agencies or political subdivisions, including fully-owned government corporations, exclusively to finance, to provide for, or to be used in undertaking priority activities in education, health, youth and sports development,*

human settlements, science and culture, and in economic development according to a National Priority Plan determined by the National Economic and Development Authority (NEDA), in consultation with appropriate government agencies, including its regional development councils and private philanthropic persons and institutions: Provided, That any donation which is made to the Government or to any of its agencies or political subdivisions not in accordance with the said annual priority plan shall be subject to the limitations prescribed in paragraph (1) of this Subsection."

Moreover, National Economic Development Authority (NEDA) * Circular No. 01-2009 provides the guideline for the issuance of certification of programs, projects and activities in the National Priority Plan (NPP), to wit:

"D. Procedure of the Issuance of the Certification of Inclusion in the NPP

1. Certification on inclusion in the NPP may be issued for:

a. PPA that is included in the NPP but has not yet received any donation; and

b. PPA that is included in the NPP and to which donation has been made prior to inclusion; provided that the immediately following item no. 2 has been complied with.

2. Request for certification shall be submitted to NEDA Central Office for evaluation not later than 31 December of the taxable year when donations were made so that approved tax deductions could be claimed during the succeeding year at the time of filing of income tax returns."

Attached to the records is a letter from Ms. Merlie J. Asprer, Operations Manager, Adopt A School Program Secretariat of the Department of Education (DepEd) dated April 2, 2013, that it was only in 2012, when the Adopt A School Secretariat was able to secure the formal Certification from the NEDA that the Adopt A School Program of the DepEd is included in the National Priority Plan of the Government.

Considering that "Adopt-A-School Program" was only certified to be included in the NPP in 2012, thus, the donations made by Alpa Land, Inc. is subject to limited deductibility or deductions to an amount not exceeding 5% in the taxpayer's taxable net income as computed under Section 34 (H) (2) (a) of the Tax Code of 1997, as amended.

Additional Deduction for Expenses Incurred for the Adoption. — Provisions of existing laws to the contrary notwithstanding, expenses incurred by the adopting entity for the 'Adopt-a-School Program' shall be allowed an additional deduction from the gross income equivalent to fifty percent (50%) of such expenses.

Furthermore, Section 3 of Revenue Regulations No. 10-2003 provides that:

(1) That the deduction shall be availed of in the taxable year in which the expenses have been paid or incurred;

(2) That the taxpayer can substantiate the deduction with sufficient evidence, such as official receipts or delivery receipt and other adequate records —

(2.1) The amount of expenses being claimed as deduction;

(2.2) The direct connection or relation of the expenses to the adopting private entity's participation in the Adopt-a-School Program. The adopting private entity shall also provide a list of projects and/or activities undertaken and the cost of each undertaking, indicating in particular where and how the assistance has been utilized as supported by the Agreement; and

(2.3) Proof or acknowledgment of receipt of the contributed/donated property by the recipient public school.

(3) That the application, together with the approved Agreement endorsed by the National Secretariat, shall be filed with the Revenue District Office (RDO) having jurisdiction over the place of business of the donor/adopting private entity, copy furnished the RDO having jurisdiction over the property, if the contribution/donation is in the form of real property."

In view of the foregoing, donations made by Alpa Land, Inc. are subject to limited deductibility or deductions to an amount not exceeding 5% in the taxpayer's taxable net income as computed under Section 34 (H) (2) (a) of the Tax Code of 1997, as amended, and additional fifty percent (50%) special deduction pursuant to R.A. No. 8525.

Lastly, said amount is exempt from the payment of donor's tax pursuant to R.A. No. 8525, as implemented by RR No. 10-2003 and Section 101 (A) (2) of the Tax Code of 1997, as amended, respectively. *(BIR Ruling No. 292-16 dated June 27, 2016)*
