REVENUE MEMORANDUM CIRCULAR NO. 30 -2004

SUBJECT: **REMINDER TO ALL REGIONAL DIRECTORS AND REVENUE DISTRICT OFFICERS OF THEIR RESPONSIBILITIES TO THE CENTENNIAL TAXPAYER'S RECOGNITION PROGRAM (CTRP) UNDER RMO 7 – 2004.**

TO : **ALL REGIONAL DIRECTORS, REVENUE DISTRICT OFFICERS AND OTHERS CONCERNED**

The Centennial Taxpayers Recognition Program (CTRP) was launched as one of several measures to achieve collection growth rate of 12% for calendar year 2004. Attached marked "Annex A" is a table of how well the various Revenue District Officers (RDO) fared so far under the CTRP. The table shows that only 21 out of 115 RDOs obtained voluntary payments totaling P4,395,076, for an average of P209,289 per district. Although voluntary payment is not the main indication of the success of the CTRP, the low voluntary payment shows we may not be succeeding. The table likewise shows RDO 59 and RDO 43 together accounts for 46% of voluntary payments.

Attached marked "Annex B" is the memo of RDO 43, which ranked 8th in terms of number of aspirants and 5th in growth of April collection. The RDO memo is being made available to give others an idea of how to push harder on the CTRP.

In a parallel move, we have generated from our ITS database an initial list of taxpayers who have grown their tax payments by 25% or more for taxable year 2003 compared to that of 2002, and those taxpayers whose growth ranges for 20% to 25%.

We have prepared a template for the first group - $\geq$ 25% (Annex C) and the second group – 20% - 25% (Annex D) for your immediate release and follow-up for the May 30, 2004 deadline.

For the non-computerized RDOs, determine from your taxpayers who have exceeded their growth by (1) more than 25% and (2) over 20% but less than 25%, then send them the letter, copy of the template (Annexes C & D) for the 1st and 2nd group, as the case maybe.

Please put more effort behind the CTRP. We need to wipe out our cumulative deficit by our 100th year anniversary this August. Needless to say, the performance on the CTRP will form part of the quantitative measurement of performance under our existing system.

Your final CTRP Accomplishment Report as of May 25, 2008 on the aspirants in accordance with RMC 13 –2004 (refer to Annex E) should be submitted not later than May 28, 2004, to the Office of the Commissioner, Attention: ACIR Gerardo M. Flores, Jr., Executive Director, CTRP Project either by e-mail : gerry.flores@bir.gov.ph or fax, for the June 4, 2004 Command Conference.
